[Fabolous:]

Guess who

J to the Lo

F to the 'ab'

Oh, yeah, oh, yeah, oh, yeah

I'm ain't Mr. Right, I'm Mr. Right Now (Oh!)

I keep women in thongs comin' along (Oh!)

Invisibly set stones, some of them prone

I can tell you ain't never had someone this long

One night, have them bumpin' my song like 'mmm,
mmm' girl

You ain't know I was comin' this strong

Now you know not to come at me wrong

I get right, uh

[Jennifer Lopez:]

You lookin' just a little too hard at me

Standin' just a little too close to me

You sayin' 'Not quite in love' to me

You sippin' just a little too slow for me

No doubt you're playin' real cool homey

Got me thinkin' what is it you do for me

Trippin' (trippin') a little more than I should be

So let yourself go and get right with me!

[Chorus:]

I'm about to sign you up

We can get right before the night is up

We can get right, get right

We can get right, get right

We can get right

I'm about to fill your cup

We can get right before the night is up

We can get right, get right, tonight

We can get right

[Jennifer Lopez:]

Your lips talkin' about I play too much

Can't a woman take advantage of what she wants?

My hips movin' oh so slow (so slow)

Bar tab lookin' like a car note (car note)
All I need is you here right by my side
Take whatever you want baby let's ride
And whatever you want you let me decide
Just put your name on the dotted line

I'm about to sign you up
We can get right before the night is up
We can get right, get right
We can get right, get right
We can get right

I'm about to fill your cup
We can get right before the night is up
We can get right, get right, tonight
We can get right

[Jennifer Lopez:]
So much we got to say, but so little time
And if tonight ain't long enough, don't leave love
behind
Baby take my hand I'll show you why

I'm about to sign you up
We can get right before the night is up
We can get right, get right
We can get right, get right
We can get right

I'm about to fill your cup
We can get right before the night is up (Oh, oh, oh)
We can get right, get right, tonight (Oh, oh, oh, oh)
We can get right

[Fabolous:]
It's slim with the tilted rim on 20 inch rims
Rock up wrist watch, 6 inch Timbs
Button-up shirt cuffed with the French trim
So you can tell a man get to the right (Oh)
I'm in the driver's seat, you sit to the right
And this is just to get to the flight
I like the way it fit to you tight
So I'mma show you the world in a day for you
Even get to the night
I'm lookin' for a dime, but I don't need a penny though
Any old wannabe Jenny-Lo, no!
Plenty dough and there's plenty more where it come
from
I'm the Real Talk where I come from, Oh!

[Jennifer Lopez:]

I'm about to sign you up
We can get right before the night is up
We can get right, get right
We can get right, get right
We can get right

I'm about to fill your cup
We can get right before the night is up
We can get right, get right, tonight
We can get right

I'm about to sign you up
We can get right before the night is up
We can get right, get right
We can get right, get right
We can get right

I'm about to fill your cup
We can get right before the night is up
We can get right, get right
