oooh oooh

it was a long time ago and you where

mine you where always never someone else

why are you hearting me why oh why

i needed a chance to explaine the love

in your heart meant for me and you

you and me

where meant to be

never diseapper white out my brokenheart

come back you and me where meant to be

always the same ahm ahm

it was night wenn it happend

wen you broke my heart never say you

loved me i thouhgt that you and em where meant to be
