One generation  
Living salvation, here we go  
Seeing revival  
We live defy all that you holds us  
back from you

So we will rise together  
With one voice we sing

Jesus is our saviour  
There will be no other  
We will shout it out  
We want the world to know

One generation  
Living salvation  
We live for you

Seeing revival  
We will defy all that holds us back from you

So we'll rise together,  
And with one voice we sing

Jesus is our Savior there will be no other  
We will shout it out  
We want the world to know  
We want the world to know

This is the generation  
We live devoted to your name  
This is the revolution  
We will not leave the world the same  
cause we want the world to know  
we want the world to know  
we live our lives for you  
in all we say and do

we want the world to know  
we want the world to know  
we want the world to know

we want the world to know  
This is the Revolution
