All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin the second best song  
All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin tonight the second best song

When you feel the groove, hold on don't let it go  
Do what comes naturally to you the flow  
Tonight throw caution to the wind  
Forget your troubles, let the fun begin  
To sum up we'll be dancing

All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin the second best song  
All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin tonight the second best song

Beautiful happy people gettin' down as one  
Drinks are flowing, party's jumpin up, Charlie come on  
DJ's spinning our requests, now they're playin their  
favourite songs  
Soon as you feel the energy you won't want it to end  
So get lost in the music all nite

All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin the second best song  
All nite long

All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin tonight the second best song

- Rap -

All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin the second best song  
All nite long  
All nite long  
Been gettin down dancing all nite long  
On and on to the early morn  
Party's bumpin tonight the second best song
