Sometimes in life  
Along come things you go thru  
That either make ya, or they break you  
And where there's heartache, there's pain  
But seeds can't grow without the rain  
Only the strong survive, survive in this life

Keep moving on  
No holding back  
So much to prove  
I come back stronger, bigger, bolder  
Straight back at you  
Sooo

If you thought that I would fall  
Without you I'd be lost  
Got news for you  
I'm still, I'm still doin' my thing  
If you thought I'd fade away  
And never be seen again  
You're crazy  
Cos I'm still, I'm still doin' my thing

It's like a universal law  
As long as you just keep your own  
And everything will work out  
I don't let a thing get in my way  
Persistence, resistance are my middle name  
Sooo

If you thought that I would fall  
Without you I'd be lost  
Got news for you  
I'm still, I'm still doin' my thing  
If you thought I'd fade away  
And never be seen again  
You're crazy  
Cos I'm still, I'm still doin' my thing

I'm still here  
Doin my thing

Can't hold me down

If you thought that I would fall  
Without you I'd be lost  
Got news for you  
I'm still, I'm still doin' my thing  
If you thought I'd fade away  
And never be seen again  
You're crazy  
Cos I'm still, I'm still doin' my thing
