They sentenced me to twenty years of boredom
For trying to change the system from within.
I'm coming now
I'm coming to reward them.

First we take Manhattan
Than we take Berlin.

I'm guided by a signal in the heavens
I'm guided by the birthmark on my skin.
I'm guided by the beauty of our weapons.

First we take Manhattan
Than we take Berlin.

I'd really like to live beside you baby
I love your body and your spirit and your clothes
But you see that line that's moving through the station
I told you
I told you
I told you
I was one of those

I don't like your fashion business mister
I don't like those drugs that keep you thin
I don't like what happened to my sister.

First we take Manhattan
Than we take Berlin.
Than we take Berlin.
Than we take Berlin.
Than we take Berlin.
