Verse 1:

Everybody's going away
Said there moving to L.A.
There ain't a soul I know around
Everybody's leaving town

Verse 2:

Some caught a freight, some caught a plane
Find the sunshine leave the rain
They say this town will waste your mind
I guess they're right cause it's wasted mine

Chorus:

Some got to win, some got to lose
Good time Charlie's got the blues

Verse 3:

My old heart keeps telling me
You ain't no kid at thirty three
You play around and you lose your wife
Play too long and you lose your life

Verse 4:

I got my pills to ease the pain
I can't find a thing to ease the rain
Sometimes I'd like to try and settle down
But everybody's leaving town Chorus.
