Verse 1:

In my own way I'm a believer
In my own way right or wrong
I don't talk too much about it
It's something I keep working on
I don't have too much to build on
My faith has never been that strong

Verse 2:

There's a man there in that building
He's a holy man, they say
He keeps talking about tomorrow
While I keep struggling with today
He preaches hellfire and brimstone
And heaven seems so far away

Chorus:

I do believe in a higher power
One that loves us one and all
Not someone to solve my problems
Or to catch me when I fall
He gave us all a mind to think with
And to know what's right or wrong
He is that inner spirit
That keeps us strong

Verse 3:

In my own way I'm a believer
But not in voices I can't hear
I believe in a loving Father
One I never have to fear
That I should live life at its fullest just as long as I am
