Verse 1:

Funny a woman can come home so wild and free
And insist I don't watch her undress or watch her watch
me
And stand by the bed and shiver as if she were cold
Just to lie down beside me and touch me as if I were
gold

Chorus:

One night of love don't make up for six nights alone But
I'd rather have one than none Lord, 'cause I'm flesh
and bone
Sometimes it seems that she ain't worth the trouble at
all But she could be worth the world if somehow you
can touch her at all

Verse 2:

Right or wrong a woman can own any man
She can take him inside her and hold his soul in her
hand
And leave him as weary and weak as a newborn child
Fighting to catch his first breath and open his eyes

Chorus

One night of love don't make up for six nights alone
But I'd rather have one than none, I'm flesh and bone
Sometimes it seems that she ain't worth the trouble at
all But she could be worth the world if somehow you
can touch her at all
