**Verse 1:**

If anyone ever finds a better way to love  
It'll be her, loving me  
If anyone ever goes out of their way to show they care  
It'll be her, loving me

**Chorus:**

She's every women I've ever known rolled up in one  
If I'm ever loved anymore, she'll be the one  
To get it done, the way it should be  
It'll be her, loving me

**Verse 2:**

If ever I'm down and out and need someone to love  
It'll be her, loving me  
When everyone else is cold and I need someone warm  
to hold  
It'll be her, loving me Chorus(x2).
