Verse 1:

I've always been crazy and the trouble that it's put me
through
I've been busted for things that I did, and I didn't do
I can't say I'm proud of all of the things that I've done
But I can say I've never intentionally hurt anyone

Verse 2:

I've always been different with one foot over the line
Winding up somewhere one step ahead or behind
It ain't been so easy but I guess I shouldn't complain
I've always been crazy but it's kept me from going
insane

Verse 3:

Beautiful lady are you sure that you understand
The chances your taking loving a free living man
Are you really sure you really want what you see
Be careful of something that's just what you want it to
be

Verse 4:

I've always been crazy but it's kept me from going
insane
Nobody knows if it's something to bless or to blame
So far I ain't found a rhyme or a reason to change
I've always been crazy but it's kept me from going
insane
