Verse 1:

We got a lot of politicians
Up there on Capitol Hill
Ain't it funny how they prosper
While the country stands still
Maybe I should run for office
But I just like to talk
I ain't about to run for nothing
I don't even like to walk

Chorus:

Aw that's just a lot of talkin'
Some is big some is small
Just runnin' my head
I'm just talkin' that's all

Verse 2:

Modern day matrimony
Is a pre-some kind of deal
You need a preacher and a lawyer
Just to tell you how you feel
Now I believe in love and marriage
I guess you need a license, too
But all that really gives you
Is the legal right to Sue

Chorus.

Verse 3:

And then there's you and me, babe
Ain't we some kinda sight
We won't go down in history
And then again we might
But that don't really matter
Just as long as we both know
We'll still be together
At the close of the show

Chorus:

Aw that's just a lot of talkin'
It don't make a lot of sense

I ain't out to hurt nobody
It's at my own expense
Yea, it's just a lot of talkin'
Some is big, some is small
Just runnin' my head
I'm just talkin' that's all Just talkin' that's all
