Verse 1:

A G A G A

Someone's gonna get hurt before you're through

G A

Someone's gonna pay for the things you do

D E D

How many hearts must break,how many will it take

A D A

To satisfy you,just to satisfy you

Bridge:

B

Another love,another fool

E

To play your game

B

Another love,another fool

E

They're all the same

Verse 2:

A G A

Someone's gonna get hurt before you're through

G A

Don't be surprised if that someone is you

D E D

You're gonna find when it's too late,a heart that just
won't break

A D A

To satisfy you,just to satisfy you

Half a verse:

D E D

How many tears were cried,how many dreams have
died

A D A

To satisfy you,just to satisfy you
