Jessi was a lovely child from West Tennessee  
Leroy was an outlaw hard as me  
One night she saw him starring & it chilled her to the  
bone She knew she had to see that look on a child of  
her own

chorus....

Cause ladies love outlaws like babies like stray dogs  
Ladies touch babies like a banker touches gold  
And outlaws touch ladies somewhere deep down in  
thier souls

Jessie liked cadillacs and diamonds on her hands  
Leroy had a reputation as a woman's man  
Then one night her light of love finally gave a sign  
Jessie parked her cadillac and got herself in line

chorus....

chorus....

Yeah ladies love outlaws like babies love a bunch of  
stray dogs  
Ladies touch babies like a banker touches gold  
And outlaws touch ladies anywhere they want.
