Verse 1:

Traveling down on different roads
Trying hard to leave the load
We take it there but we can't let go
It's so hard to lay it down

Verse 2:

Back in Eden we were tried
Found ourselves dissatisfied
Seeking wisdom that she denied
Trying hard to lay it down

Chorus:

Lay it down brother, lay it down
It's so hard to lay it down

Verse 3:

Hide in me, confide in me
Don't you think it's time to be
Everything we tried to be
You and me should lay it down

Verse 4:

Speak to me, be unashamed
There's no need in playing games
After all we're all the same
Just trying hard to lay it down

Chorus.

Verse 5:

Wish my words could make it well
Wish that I could break the shell
Take us from ourself made hell
Find a way to lay it down

Verse 6:

Burdened by the things I've learned
Hurting because I'm too concerned
Nonetheless I confess I yearn
To find a way to lay it down

Chorus:
Lay it down, lay it down
Wish that I could lay it down
