Look into my teardrops, and darling you will see
The reflection of an angel that made a fool of me
Look into my teardrops, and you will see the eyes
That promised me so many things, but all of them were
lies

CHORUS:

Look into my teardrops the mirror of my soul
And you will see the girl who' still my only world
But I couldn't hold

Look into my teardrops, and you will see the one
That broke my heart forever, aren't you proud of what
you've done

Look into my teardrops, the mirror of my soul
And you will see the girl, who's still my only world
but I couldn't hold.

Look in to my teardrops and you will see the one
who broke my heart forever, aren't you proud of what
you've done
