Verse 1:

In my darkest hour, woke up to a storm
I turned to hold my baby, but she was gone
I looked all around me, calling her name
No letter, no word of goodbye, walked out in the rain
Looking for Suzanne

Verse 2:

Strangest of notions, chilled me to the bone
Something whispered in the wind, she ain't coming
home
Looking for Suzanne, looking for Suzanne

Bridge:

Suzanne went away, as I think about it today
As hard as I try I can't understand, looking for Suzanne

Verse 3:

Each walking moment, each sleepless night
I search for the one that I love, the rest of my life
Looking for Suzanne

Looking for Suzanne (til end ...)
