I'm all alone but my heart is full  
I'm a sunken stone, I'm thinking you're the pool  
I'm lost in space, but I'm on the ground  
you can find my heart in the lost and found  
because you are not like all the rest  
a girl who puts me to the test  
so why must you be oh so rude  
giving me that attitude  
please don't take that tone with me  
I understand the way you see  
you think you're different just like me  
I'm center stage as you rant and rave  
it's the final scene of our tragic play  
the curtains close and I take a bow  
I play this role until my youth runs out  
I'm all alone but my heart is full  
I'm a sunken stone, I'm thinking you're the pool  
I wan't a girl who's just like you  
giving me that attitude  
please don't take that tone with me  
I'm not just another one you see,  
I'm the one for you and you're my destiny...
