The things you claim, I can't except the blame
Better watch your back I'm gonna win this game
You try to phase me, you can't phase me
I got you thinking that I feel no pain
but I feel it...

Are you insane, enjoy inflicting pain
Better watch your back I'm gonna ruin your name
Try to control me, but I'm too strong you see
I got you thinking that I feel no pain
but I feel it...

You try to bring me down
You can't bring me down
But I can bring you down.
