"Forget the World"

I pick you up, we stay out late.
My life is good, my life is great.
Nothing matters any more!

My grades have dropped
I'm such a schmuck,
But I don't care I don't give a ----
Nothing matters any more!

Chorus:
Ever since I heard that ring,
I put down everything.
I picked the phone up off the floor,
And nothing matters any more!
Forget the world!

So time has passed but nothing's changed,
My life's still bad it's all rearranged.
Nothing matters any more!

My grades have dropped
I'm such a schmuck,
But I don't care I don't give a ----
Nothing matters any more!

Chorus:
Ever since I heard that ring,
I put down everything.
I picked the phone up off the floor,
And nothing matters any more!
Forget the world!

I dont care what they say,
Ill pick you up today.
And we can run away,
Run Away...

Forget the World.
Forget the World.
Forget the World.
Forget the World...
