

Hippos, The "Goin' Out to Skate"

Visit "[Goin' Out to Skate](#)" on MotoLyrics.com

Don't wanna understand what my school's about
Don't wanna sit and read inside a room
I wanna scream and shout
I wanna feel my freedom in my hand
Don't wanna wake up at 8!
I Wanna play guitar with pots and pans
I Wanna sit and masturbate.

'Cause everyone is going out to skate
Don't want to break out my pad and paper
And calculate my algebra
I just wanna go outside and skate.

Catch you later mom
To the court house, where I go
Sporting some baggy pants, a polo shirt
I placed a sticker on my skateboard
She said, "Listen up, you've gotta keep yourself intact
'Cause school's the most important thing and that's a
matter,
A matter of fact."

They want to take away everything from me
My fuckin' amp, my one guitar, my MTV, my MTV!
