You think I'm square  
Don't like the clothes I wear  
The way I comb my hair  
The way I sit and stare at you  
It's just a game to take the spotlight off of me  
I'm just afraid of what you might think  
Sing another stupid song  
About everything that's wrong  
Girls and other surface things  
Do mean a lot to me  
But I, I can not let you in  
Let you in too deep  
I'm just afraid of what you might think  
-Chorus-  
Paulina  
You know this isn't me  
I've been dishonest  
Now it's time to come clean  
I said Paulina  
I'm the one for you you'll see  
Just as soon as you see me

Don't walk away from me

Listen to what I say

Alright I'm sorry

I never wanted it this way

I took it, I took it too far with my insecurities

I'm just afraid of what you might think

I'm just afraid of what you might think

-Chorus 3X
