Open your eyes pull up the blinds
Today is a sunny day
Despite what they're saying
You're gonna make it
I know you'll find a way

So come on and take my hand
We'll be off to a distant land because

It's nice day to get away
From all the pain inside
A wonderful day to run away
To run away and hide
We'll be all right

You look so mean
I know that scene
But it ain't worth your time
They're all so shallow
So insincere
You'll learn to pay no mind

So come on and take my hand
We'll be off to a distant land

It's nice day to get away
From all the pain inside
A wonderful day to run away
To run away and hide
It's nice day to get away
From all the pain inside
A wonderful day to run away
To run away and hide

We'll be alright (x5)

So come on and take my hand
We'll be off to a distant land

It's nice day to get away
From all the pain inside

A wonderful day to run away
To run away and hide
It's nice day to get away
From all the pain inside
A wonderful day to run away
To run away and hide

We'll be alright (x8)
