

Hippos, The "Stephen"

Why did you go so far away?
When all I wanted was for you to please stay
I've been sleeping these months away
'Cause Stephen you're my night and day.

All of those times
That I was unkind
Can't stop regretting
Memories stuck in my mind.

Something I just don't know what to say
Stephen you're my night and day
There was a time
When I would say that things would be okay.

But not today
I've been sleeping these months away
'Cause Stephen you're my night and day
'Cause Stephen

Oh Stephen
'Cause Stephen you're my night and day...
