I cant stop thinkin'  
while I'm on the can  
your eyes pop in my mind again and again  
Oh annie, annie, why can't you understand?  
every night I dream about being your man

but every time I come up to you  
my throat turns dry I'm trippin' on my shoes  
I don't know what I'm gonna do  
I don't know what I'm gonna do  
'cause I think I have fallen in love with you  
'cause I think I have fallen in love with you  
it's true

wishin', wishin', that you'd come up to me  
you're always on my mind you're drivin' me crazy  
I'm missin', missin', your personality  
you're always on my mind you're makin' me lazy

but every time I come up to you  
my throat turns dry I'm trippin' on my shoes  
I don't know what I'm gonna do  
I don't know what I'm gonna do  
'cause I think I have fallen in love with you  
'cause I think I have fallen in love with you  
it's true

you're drivin' me crazy

you're makin' me lazy

but every time I come up to you  
my throat turns dry I'm trippin' on my shoes  
I don't know what I'm gonna do  
I don't know what I'm gonna do  
'cause I think I have fallen in love with you  
'cause I think I have fallen in love with you

so please, oh, please won't you tell me that you love  
me too?  
'cause I think I have fallen in love with you

it's true
