Gotta get out of these smoky clothes  
Rid myself of this canon of filth  
Drinkin' at the mixer with Mark and Key  
All my friends are there with me

Ashton plays guitar with a rock and roll band  
Catelina works at the MTV  
Sarah likes eggs and digs our sound  
Andy lives free but he's home for tea

Stayin' at Pete's  
With the Reverend Went  
Bakers at the studio wait for me  
Chords and sex and dogs and kids  
All don't mean that much today

You'll never touch the magic if you don't reach out far  
enough  
You'll never touch the magic if you don't reach out far  
enough  
You'll never touch the magic if you don't reach out far  
enough
