Summer's gone, day's spent with the grass and sun,
I dont mind, to pretend i do seems really dumb.
I rise as the morning comes, crawling through the
blinds,
I shouldn't be up at this time, but i cant sleep with you
there by my side.

Wake up its a beautiful morning,
Feel the sun shining for your eyes.
Wake up its so beautiful,
For what could be the very last time.

Twenty five, don't recall a time i felt this alive,
So wake up boo, there's so many thing's for us to do.
Its early so take your time, don't let me rush you
please,
I know i was up all night,i can do anything, anything,
anything.

Wake up its a beautiful morning,
Feel the sun shining for your eyes.
Wake up its so beautiful,
For what could be the very last time.

Wake up (x8)

But you can't blame me now for the death of summer,
But you can't blame me now for the death of summer.
But you've gonna say, what you wanna say,
You have to put the death in everything.

Wake up its a beautiful morning,
Feel the sun shining for your eyes.
Wake up its so beautiful,
For what could be the very last time.

Wake up its a beautiful morning,
Feel the sun shining for your eyes.
Wake up its so beautiful,
For what could be the very last time.

Ahhhh
