The man in the red baseball cap  
He looked at me with a sideways glance  
And said "you can't get there from here"  
You can't get there from here 30 minutes late,  
double yellow line I'm behind the slowest guy in line  
Singing "you can't get there from here"  
You can't get there from here  
Pedal to the floor, old farm truck I'm gonna need just a little luck if I Wanna get there from here  
If I want to get there from here

Chorus: Break me mamma I don't wanna go It ain't worth gettin mad I know I'm gonna turn around, turn around, turn around  
And go back home I'm gonna turn around, turn around turn around and Go back home

Possum struttin on the road side I sure hope that he thinks twice  
If he wants to get there from here If he wants to get there from here  
Why'd the chicken cross the road Oh I think that we all know  
He just wants to get there from here woh , oh oh oh He just wants to get there from here

Chorus: Break me mamma I don't wanna go It ain't worth gettin mad I know I'm gonna turn around, turn around, turn around  
And go back home I'm gonna turn around, turn around turn around and Go back home

The stars are out, moon is high Oh I think that I won't cry  
If I can't get there from here If I can't get there from here,  
wo oh oh oh oh I can't get there from here I can't get there from here.
