She was the spring  
All her dreams you could never tell  
I think of her now  
All the love we made I remember well

To look in her eyes  
Gave a feeling so very fine  
I once heard her say  
That the seasons are nothing more than just time

Though we're breaking up we leave the best  
I remember you  
Maybe Love Is Forever  
Love's gone so far beyond  
I believe it's true  
Love Is Forever  
Yours and mine two hearts in time  
Never fade away  
Oh Love Is Forever  
For you and I surely Love Is Forever

So is the way  
We go on living just the same  
And carry the love  
'Til the day comes we give it back again

Though we're breaking up we leave the best  
I remember you  
Maybe Love Is Forever  
Love's gone so far beyond  
I believe it's true  
Love Is Forever  
Yours and mine two hearts in time  
Never fade away  
Oh Love Is Forever  
For you and I surely Love Is Forever
