In my life I've waited so long
For the girl of my dreams
And here you are so close within me now
Can it be what it seems

Baby you must be the one
It's getting closer every day
And the time is now
I've got some things I want to say

I Need Your Love
Give me the light so I find my way
Need Your Love
Don't you feel it too
Everything's right when you're here with me
Need Your Love
Oh I think you know it's true
Just want to tell you that I
I Need Your Love

You're My Lady.....My Lady

Your love takes me so high
Only you know the way
It makes me feel like nothing else before
Like there's no yesterday

Something moves me inside
And when I look into your eyes
My heart is sure
This love of ours is gonna stay

I Need Your Love
Give me the light so I find my way
Need Your Love
Don't you feel it too
Everything's right when you're here with me
Need Your Love
Oh I think you know it's true
Most of all 'cause I want to turn you on
Need Your Love
