If you're sure now that you never had
A feelin' like this one before
Baby I say I've got what you need
You don't have to go searchin' no more

Ooh baby are you ready to find out
What's gonna take you to the stars

Take Me Tonight
We've just got to get away
Take Me Tonight
Baby you know it's comin' closer for you and me
Take Me Tonight

You know in the night time
You just got to slip away
I.....I only want to get next to you
I'd sure love to hear you say

Ooh baby that you're ready to find out
What's gonna take you to the stars

Take Me Tonight
We've just got to get away
Take Me Tonight
Baby you know it's comin' closer for you and me
Take Me Tonight

Deep inside the word is love
The feelin' is makin' it right
Slowly reachin' for paradise
To keep you high into the night

All you gotta do is move a little closer
And you can take me to the stars

Take Me Tonight
We've just got to get away
Take Me Tonight
Baby you know it's comin' closer for you and me
Take Me Tonight
