"Two Feet Tall"

Are you ready
For a change in the scene
I'm feelin' so good now
Would you care to know what I mean

I'm gettin' Two Feet Tall
Yeah I'm Two Feet Tall
'Cause I'm two feet too high

Every time I
Wonder who's turn in the line
Ain't no mistakin'
Makin' sure I'm gettin' mine

I'm gettin' Two Feet Tall
Yeah I'm Two Feet Tall
'Cause I'm two feet too high

And if you see me
Then you might want to come down
And then we can be yeah
Where they don't go 'cause they don't know

That you're Two Feet Tall
Only Two Feet Tall
'Cause you're two feet too high
