Album : Seven Minutes in Heaven

well is it checkmate when everything i do makes me
feel trapped? and yes I'm pushing on but everything all
at once makes me look back and my thoughts are
wearing clothes everyone around here seems to know
just what's on my mind I'm out of style or hard to find
and tommorow i will follow through with every promise
that i make to myself about you and today is my way
of backing out on every single promise that was made
yesterday
