"A Frick'n Xmas Song"

Visit "[A Frick'n Xmas Song](#)" on MotoLyrics.com

Unforgettable feeling you may find on a frozen day
He's not the first offender its not the fooly of fate

Call me back again when xmas is over
Call me back again when xmas is over
It's a pity that your answering machine cnnot answer

He's the funny fellow one of the floating population
But the freezing day may refuse you any information

So call me back again when xmas is over
Call me back again whwn xmas is over
Is a pity that your answering machine cannot answer...
