It's five in the morning, someone knocking on  
my door  
You must be crazy, no my man I'm bored  
I have to work tomorrow, it'll be a hard day  
All right now let me use you astray

Uh, ah! Wonderful feeling  
Uh, ah! What a nice day  
Uh, ah! Busy busy crowd all around me  
Uh, ah! And there's nothing more to say

It's five in the morning and I'm listening to the  
radio  
Sleepy music But I don't have to sleep no more  
This night is crazy and so are you  
All right doodby dooby do now

Uh, ah! Wonderful feeling  
Uh, ah! What a nice day  
Uh, ah! Busy busy crowd all around me  
Uh, ah! And there's nothing more to say

So I don't and I wont

A bit of time later with the first sun rays  
I saw the trace of grace in your face  
I've never seen your dreams and I've never  
been there  
I got my dreams, maybe more, oh yeah!  
So I looked in your eyes so wise as you rise  
Above the timeless of my lies
