Girl I'm not leaving now
I'm not gonna leave you baby til you satisfied
Girl I'm not leaving now
Woman what you need I'll provide
Everytime I see your face baby
I get so weak in my knees
Everytime I lay my hands on you girl
It's like I don't know how to speak

Ohh, what you do to me
Ooooh, pretty baby
Hear me when I say to you girl

I'm not leaving now
I'm not gonna leave you baby til you satisfied
No I'm not leaving now
Woman what you need I'll provide, I'll provide for you

My love is real
I always have, and always will
Be close to you
If you let me to
I'll do whatever you please, girl I'm down on bending
knees
Say you feeling it like me
Can't you feel it honestly?

You never, never have to sleep alone
And ohh pretty lady, hear me when I say
When I say to you that I

Girl I'm not leaving now
(I'm not leaving you no)
I'm not gonna leave you baby til you satisfied
Well I'm not leaving now
No baby no (I'm not, I'm not)
I don't wanna be without it (No Baby)
I ain't leaving you, you better believe it
I'll take care of you when you (?) me to, and you (?) me
to
Baby, Baby, Baby, Baby, Baby, Baby, Baby, Baby

That's what I'm gonna do baby girl
I Will (?) to you
I'm not leaving, I ain't leaving you babyâ€™!
