Its a wild parade its a masquerade
When we take a trip to New Orleans
Jamballaya hot creol teens
When we take a trip to New Orleans

The bayou is on fire by the Mississippi river
So com' on all and join the brawl
There is a carnival on Burbon street
I said lkolko ande
so common down to New Orleans
shackamo fin ande

Tell me what you're cooking on your stove
Smells like catfishgumbo smells like
shrimp ala creol
So tell me what you're serving on you're tray
Smells like jamballaya smells like
lobster etuf'©e Yeah yeah

Say hooaaeeeyyy aha X3
Hey pocky way

There's party yall called Mardi Grass
When we take a trip to New Orleans
Louisiana hotsauce and beans
When we take a trip to New Orleans
I met an alligator on the lazy Mississippi
We go insane sipping' Hurricane
Puffin Mary Jane on Jackson square
I said Hey

Going down the New Orleans
Two-way pocky way

So tell me what's that blasing out my stereo
It's professor Longhair, Dr Johan and Jelly Roll
So tell me what's that pounding rolling beat
Sounds like tambourine sounds drums and
tapping feet

Say hooaaeeeyyy aha X3

twoway pocky way
Where you at spyboy
Right here over here X4
Where you at pussycat
Right here over here X4
Say hooaaeeeyyy aha X3
twoway pocky way
