since you've been gone  
i can't get nothing right, biding my time  
finally i come around, if i was to say i'm sorry  
would you reconsider me, without you i'm lost  
baby can't you see

that this is our song  
i sing it cause you not around  
it picks me up when i'm down  
girl this is our song  
been working on it for some time  
hope if i get it right, you'll be mine

i made you cry  
lord knows i did like a child  
wish that i could make it right  
time is just not on my side  
if i was to say i'm sorry  
try to give you what you need  
would you find in heart, to forgive me

girl this is our song  
sing it cause you not around  
it lifts me up when i'm down  
yes this is our song baby  
been working on it for some time  
hope if i get it right you be mine  
baby  
girl this is our song  
i sing it cause you not around  
it picks me up when i'm down  
yes this is our song baby  
been working on it for some time  
hope if i get it right you'll be mine baby  
hope if get it right you'll be mine  
hope if get it right you'll be mine..
