[INTRO]

I swear we had it baby  
It's so dramatic lately  
I keep on tryin, got me cryin  
seems you want it this way

[verse:1]

with every word that you said  
I let you play with my head  
your empty promises, so hollow like your broken mind.

[hook]

What if you were my osession,  
taking out all my aggression  
think that you could handle this  
or deal with it, the way I did (baby)  
what if to get your attention  
I'd use you for my own affliction  
when no one is around, kick you when your down  
tell me, would you like that  
(trapped)

[chorus]

After all that you  
put me through do you  
think you got a hold of me (no)  
don't you know i'd never be  
(trapped)

I feel like I was (trapped)  
you know you had me (trapped)  
and I won't ever look back, or fall into your trap.

[verse 2]

It's like it makes you happy  
to shatter all the memories  
until this day they bring me back to how I felt so alone  
my battered heart is broken  
our dreams are left unspoken  
you took the light right out of me, boy your so cold I'm  
frozen

[hook]

what if you were my obsession  
taking out all my aggression  
think that you could handle this  
or deal with it, the way I did (baby)  
what if to get your attention  
I'd use you for my own affliction  
when no one is around, kick you when your down  
tell me, would you like that  
(trapped)

[chorus]

After all that you  
put me through do you  
think you got a hold of me (to)  
don't you know i'd never be  
(trapped)

I feel like I was (trapped)  
you know you had me (trapped)  
and I won't ever look back, or fall into your trap.

[OUTRO]

Now that the chains have broken  
I have my eyes wide open  
your just a chapter of my life

Forgive my imperfection  
you were my weak de-lesson  
no tears to cry, I live my life one day at a time

[bridge]

You cant break,  
you cant break,  
you cant break me.

I won't let,  
I won't let,  
let you you take me.

You cant break,  
you cant break,  
you cant break me.

I won't let,  
I won't let,  
let you you take me.

(trapped)

[chorus]  
After all that you  
put me through do you  
think you got a hold of me (no)  
don't you know I'd never be  
(trapped)

I feel like I was (trapped)  
you know you had me (trapped)  
and I won't ever look back, or fall into your trap.
