Girl: Um this Don Chi Chi that you call yourself

Dupri: Uh huh

Girl: What's he all about?

Does that mean you could be devoted to one woman  
and have others or does that mean you're not devoted  
at all?

Dupri: Don Chi Chi is basically a glamorous fly ass  
playboy

that's just, you know

He ain't no one-woman type, man

[Dupri]

I can't wait

It's me again

Trina and Tammy

So So Def

C'mon

Chorus:

Why don't you and me

Take a trip and dip back to my crib

How I wanna lay you down

I really wanna lay you down

Verse One:

Here we are

Alone in my car and I can feel your temperature rising

You want me; I want you too

And I can see it in your eyes that your ready (ready)

To hit the back seat of my Jeep right now

But the mood ain't right

My Jeep is tight

I got a better place to lay you down

Chorus: repeat 2X

Verse Two:

I said baby (baby)

Before we lay  
Everything's just gotta be just right  
Cuz tonight is the night I've been waiting for  
You and me are about to take flight  
I don't want no distractions  
Once we get into our action  
Don't wanna be alone (that's right)  
Getting it on  
All night long

Chorus: repeat 2X

[Trey Lorenz & Trina & Tamara]  
Baby, come this way  
No longer will I make you wait  
I can feel your passion rising  
You're not alone  
My  
My  
I'm heading for your love  
I can't wait to lay you down

[Dupri]  
What you waitin' for  
Let the freak show begin  
Let the freak show begin  
(repeat 3X)

You heard me

[Trey Lorenz, Trina, Tamara]  
First destination  
Is my heart  
Second destination  
After the lights go out  
I kindly get you to take me to my place  
For an ounce of ecstasy  
I don't think he remembers  
First destination  
Is my heart  
Second destination  
After the lights go out  
I'm gonna make you wish that everyday you  
Could spend your nights with me

Chorus to fade
