this is dj clue ya heard we got a new artist foe ya  
niggaz and bitchez he go by the name big mel a.k.a the  
THREAT"

yaw know

\_\_battle flow\_\_

yo you want me to battle you

all i got to do is spit a couple of lines and you through,  
cause i'll rip you up and stuff you in a cup,pour yo ass  
out and show what's it all about,kick you in your  
chin,make you lose wind,my skillz is ill, my rap is real  
caus what i do is tell you what i feel,do what you please  
once i'm done, you gon be laying down with "z"s got  
you slapping at yo knees, cause they itch, with ants on  
your body while its beginning to twitch,turing into a  
witch instead of a fish ill have you on a dish making on  
last wish,wishing you were on the courts makin ONE  
LAST SWISH.

"RIVERSIDE HIGH" we can't be stopped
