Don't stop I'm not finished yet  
you ain't doin' it right until ya hands get wet

Don't stop I'm not finished yet  
you ain't doin' it right until ya hands get wet  
T-Boz rock on Richie Rich come on

Get it straight a player don't hate he congratulate (say what)  
while you demonstrate you givin' yo N-I-G a break  
I let ya fingers be the reason that I stay out late  
when double R come home  
ya touchin' teasin' like Case (don't stop)  
bringin' the shakes plus joy like Anita Bake  
all the way from the O to the ATL it ain't safe  
Playas check yo game swole ballers check nuts  
and if ya scared go to church 'cause the remix hurts

Every night I get away  
I don't need nobody baby but you you  
I ain't afraid to touch myself  
I don't need nobody else but you you yeah

A splash in the pool  
come home ridin' duals  
triple gold game sold not told (yeah yeah)  
Fuck wit' that nigga all hundred G stacks  
kamikaze but yet and still I can't lock down my bazy  
due to the jack, ask myself who's the mack  
on the bed shakin' damn who bringin' home the bacon (me)  
thought it was my nigga who was stealin' the guts  
Richie Rich bangin' hard but she ain't gettin' enough  
Let me watch nigga 'cause you my boo for shoo (yeah)  
goin' brown in the town what the fuck I got to do  
spend a gang of loot hella Benzes on the fluke  
I'm a catcher tell me when it's time to shoot (Don't stop don't stop)

Chorus

I won't be afraid to touch myself

It's alright I said it's alright hey  
I don't think it's wrong to touch yourself  
Cause ain't nothin' wrong with makin' it feel good

Every night I get away  
I don't need nobody baby but you you  
I ain't afraid to touch myself  
I don't need nobody else but you you yeah
