If you only knew i'm sat alone  
And if your mamma knew  
The things i was doin' to you  
You've gotta put the butter on it  
Let the coffee stew  
Tell me later  
What you goin' through

Gimme, gimme lovin'  
Mithi, mithi, soft lovin'

So far, you know you've gotta  
Let the lovin' flow

From the head  
To the toe  
If your mamma knew  
She'd tell you that we're through  
She said that i'm the devil woman  
The lady from hades

So gimme gimme lovin'  
Mithi, mithi, soft lovin'

Put the butter on it  
Let the coffee stew  
Lovin'
