Who ever thought that you would dare
I tried, the honest guy
To be on your side yet another time
But now I?m backing off, and don?t ask why cause I
tried

Who ever thought that you would dare?
Who ever thought that you would care?
Who ever thought that your prayer would lead you
nowhere?
I hate to say that guy was me

And now, I?m finding out
Right from you right from the horse?s mouth
But now you?ve crossed the line, you?ve gone too far
to repair
Who ever thought that you would dare?

Who ever thought that you would dare?
Who ever thought that you would care?
Who ever thought that your prayer would lead you
nowhere?
I hate to say that guy would dare

That guy was me
That guy was me
That guy was me
I hate to say that guy was me
