I want to let you know how I feel  
Well I?m confident, not on my heels  
So many times with reasons to blow  
I talk myself out and I don?t  
It seems surreal, seems impossible  
Some twenty years and now I wake  
I want to let you know how I feel  
There?s no time like now  
Well how about tonight

I?m feeling good, I like this hate  
I?d say I?m safely venting rage  
There?ll be no more positive spin  
On things that really piss me off  
Before I tried, I didn?t think I?d like it much  
But hey it feels real nice  
I want to let you know how I feel  
There?s no time like now  
Well how about right now

No time like now!!

And I?ve spent so much of my time  
Questioning my every choice  
And I?ve spent so much of my life  
Trying to please all but myself  
How I would look  
And how I?d come across  
It used to mean so much to me  
But since then, there?s been a little change  
I?ve toughened up through pain and rage

The times when, I was the one who always would stop  
me  
All the times, I would stop me  
But now who?s to stop me  
All the times, I would stop me  
But now who?s to stop me  
All the times, I would stop me  
No time like now
