"On a fence"

Visit "[On a fence](#)" on MotoLyrics.com

I'm sitting on a fence again
I'm careful about which side I land
I'm careful of the things I say
I don't know, I hesitate
Am I better off
Holding on walking away

I don't want to step on no one's toes
So I will just let the anger go
I get tested once again
Clench a fist, I take in a breath
Am I better off
Holding on walking away.
Am I better off
Holding on another day

At home in bed I can not sleep
From my constant digging up old memories
I can't do much but roll around
And listen to my hearts each pound
Am I better off
Holding on walking away
Am I better off
Holding on another day
