Primrose Lane, life's a holiday on Primrose Lane

Just a holiday on Primrose Lane with you

Can't explain when we're walkin' down the Primrose
Lane

Even roses bloomin' in the rain with you

Sweet perfume

Those little old roses bloom

And I want to walk with you my whole life through

Primrose Lane, life's a holiday on Primrose Lane

Just a holiday on Primrose Lane with you

Sweet perfume

Those little old roses bloom

And I want to walk with you my whole life through

Primrose Lane, life's a holiday on Primrose Lane

Just a holiday on Primrose Lane with you

Wi-i-i-th you

Wi-i-i-th you

FADE

Wi-i-i-th you
