[Talk]

You're a hater
And you tryna stop my flow

[Chorus]

So many wanna stop my flow
So many wanna stop my flow
Wanna come and put ya rode blocks down
But that don't mean I can't go around

[Jerzee]

Wanna be a friend to me
But fake is all that I see
They aren't the way the use to be
Funny how time changes things
Cause I got a lil fame
Now you wanna throw mix in tha game
Damn what a shame
People hate to see you do good things
Yeah, yeah

[Repeat Chorus 2x]

Draggin my name through the dirt
Thinkin it won't hurt
That won't work
Negativity don't offend me at all
Same ones that offend me
Don't know how I can be
Back together again
I'm still here

[Repeat Chorus 2x]

[Hook]

Talkin bout them haters out there
Perpatrators I swear
Pretendin that they care
When ya need em
They're never there

[Repeat Hook]

[TALK:]
Forget that
When I really need chu
You're never there
But when you need me
I'm always there
I guess this shows me just how you really are
Always tryna stop my flow
OOouuuu

[Repeat Chorus to fade]
