(feat. Ja Rule)

[Jerzee]

Play...turn up in my ear just a tad bit

[Ja Rule]

Baby who got you twisted

In a way that chu be missin

The love that we share

The time that was rare

Sex drive at 50

As we swerve on them shorties

Goin through red lights

Baby ain't that funny

Now I ask you

Now I need you

Before you know it

Ya girlfriends tryna reach you

Am I twisted

Cause you is my mistress

Good and all

Cause you be always there

When I call

[Chorus]

Your love

Has got

Me twisted, yeah

Baby

I will admit it, ooo

The way I feel

When I'm with you

So every day of my life

It feels like paradise

[Jerzee]

I can feel your footsteps in the wind

I can smell your scent every now and then

I can walk to a certain place

And swore I just saw your face

I know you say that you care

Even though you're never there

Boy, I swear I can taste your love in the air

[JA RULE]

Baby who got you twisted

[Chorus]

[Jerzee]

I know you say the things I do
Aren't always right for you
But I confess my love is true
Cause my love is only for you
I know you say that chu care
Even though you're never there
Boy, I swear I can taste your love in the air
Yeah, yeah, yeah

[Bridge]

That's just the way it is
When you fall in love the right way
Don't let this go
And be on your own
Cause I won't settle for nobody else

[JA RULE]

Baby who got you twisted

[Chorus]

[JA RULE]

See everyday of my life
Without you is critical
I'm gettin confused
I'm starting to lose
My mind
Remember the times
We rived in the Porsche
When the police
And ended up sexin on the beach
Them was good times
And good livin
Even the Lord is forgivin
You can forgive the Ru for forbidden
My heart to get involved wit it
Just so cold
I need you to warm my soul
Before I'm twisted

[Chorus]
