Never been eager  
Not to this extent  
Can't imagine leaving  
I'm comfortably obsessed  
It seems misleading  
Such a far outstretch  
But I mean every word I say

(Bridge)  
When you slow down  
All the details spill out  
It's no accident how you  
Fell right into my arms  
It's no accident how you  
Fell right into my arms

(Chorus is the wooing thing)

I have been preparing  
Preparing for this day  
Don't plan on sleeping  
Just eagerly await  
It seems misleading  
Such a far outstretch  
But I mean every word I say

(Bridge)  
When you slow down  
All the details spill out  
It's no accident how you  
Fell right into my arms  
It's no accident how you  
Fell right into my arms

Leave with me(x5)  
Now, forever again  
Leave with me(x5)  
Now, forever again  
Again

Something tells me

I am losing self-control(x2)  
But your the only one who  
One who needs to know

Leave with me(x5)  
Now, forever again  
Leave with me(x5)  
Now, forever again

Woo woo woo woo till the end
